

# HAND PALLET WRAP

## HIGH PERFORMANCE HANDWRAP

**Performance70 (XH)** - The ultimate CAST handwrap. A combination of load containment, toughness, puncture, stiffness, clarity, and cling.

\*Replaces up to 80 gauge standard films\*

Offers substantial savings (less cost per pallet) 'Our most Popular'

Code	Width (approx.)	Length	Gauge
17595	13"	1476'	47
17598	16"	1476'	47

**Pre-stretched (LX)** - High performance with ease of use and most economical choice.

Code	Width (approx.)	Length	Package
17415	15"	2000'	126/skid (bulk)

**Hybrid Pre-stretched** - For extra strength, better yield and lighter roll weight (with new glide smooth cores)

Code	Width (approx.)	Length	Package
17418*	14.5"	1450'	Boxed 4 rolls

\*X7
